### Oklahoma Leads Nation in Victory Bond Sales

Oklahoma City, April 23.—  
A. V. Davenport, city manager,  
stated at 5 o'clock Wednesday  
afternoon that Victory bond sales  
for Tulsa had been assured to the  
amount of \$1,750,000, slightly better  
than 30 per cent of the quota.

This does not include sales made  
in railroad employ or any sales re-  
ported by county workers," said Mr.  
Davenport. "Neither does it include  
a number of other pledges we cannot  
publish now. But approximately  
\$1,250,000 worth have been sold  
in Tulsa."

**Volunteer Does Well**  
J. H. Evans, a volunteer worker,  
yesterday reports four subscriptions  
amounting to \$350,000. Two prom-  
inent corporations purchased bonds  
to the amount of \$100,000 each and  
two others took \$75,000 worth each.

Three thousand dollars worth of  
bonds were subscribed for by the  
Halliburton-Abbott company.

In reality sales have been accepted  
over the counter at headquarters for  
but \$10,200 worth of bonds, but  
the pledges on hand not yet  
realized upon the total is swelled to  
more than double this amount.

Bond sales to the amount of \$422-  
50 were made by workers Wednesday  
afternoon, the grand total  
amounting to \$1,750,000.

The first reports of county activities  
were received at headquarters  
in the municipal building Wednesday  
afternoon by Frank Bryant, county  
chairman. Skiatook reports sales  
amounting to \$48,400, which is \$1-  
400 more than her quota and puts  
her over the top.

Collinsville reports \$47,000 in bond  
sales up to Wednesday noon and  
is going strong.

City Manager Davenport contem-  
plated the organization of strong-  
arm squads and employment of the  
same tactics used in some instances  
during former drives.

The victory ship, the U. S. S.  
Marblehead, is scheduled to reach  
San Diego at noon tomorrow, where  
she will be relieved by the U. S. S.  
Covey which will take up the second  
leg of the journey.

**Tells of Army Baking.**

experts bringing out the satisfactory  
results of army baking during the  
war, marked the third day's  
session today of the annual conven-  
tion here of the Southwestern As-  
sociation of the Baking Industry.

### Soldiers and Sailors Mass Meeting Tonight at Tulsa Courthouse

A mass meeting of returned sol-  
diers and sailors will be held at the  
district court room at the court-  
house at 8 o'clock tonight. A tem-  
porary organization of "Veterans  
of the War" will be formed and  
delegates named to attend the state  
meeting at Oklahoma City of sim-  
ilar delegates from other towns in  
the state.

The national convention will  
make the inauguration of definite  
plans for the organization of vet-  
erans of the war under the plan  
proposed by Theodore Roosevelt,  
Jr., son of the late president.

Several Tulsa boys were in the  
chorus and they were given a rous-  
ing reception by their friends. In  
the audience were a great many uni-  
versity graduates who joined in the  
ovation to the representatives of their  
alma mater.

### QUARTER OF BILLION OFFICIALLY REPORTED

Treasury's Figures Are Day Behind  
and Do Not Include All Sales, It  
Is Explained.

### ENCOURAGEMENT IS NOTED

Telegrams Told of Enthusiastic Re-  
ception Given Navy Fleet Cruis-  
ing Behalf of Loan.

WASHINGTON, April 23.—A  
quarter of a billion dollars has been  
subscribed to the Victory Liberty  
loan, as officially reported through  
banks and federal reserve district  
headquarters to the treasury. This  
covers probably only the first two  
days of the subscription period which  
opened Monday, and does not in-  
clude the millions of pledges on  
which subscribers are taking their  
time to make the installment.

Neither does it include officially  
recorded subscriptions which have  
not been tabulated by banks or  
which are in the process of being  
reported to district headquarters or  
compiling there.

Only 10 districts reported.  
Only 10 of the 12 districts were  
represented in figures given out  
today by the treasury, the Kansas  
City and Atlanta headquarters not  
having submitted official reports.

The first complaints that the  
treasury's official reports do not  
fully indicate the records of various  
communities reached today. They  
were met with the explanation that  
the figures given out by the  
treasury at night in most cases were  
transmitted by district managers  
about noon of that day. The dis-  
trict managers also may report the  
standing of some city as of the  
night before, and this is reflected in  
the national headquarters review a  
day as a consequence.

The exact total tabulated tonight  
was \$249,649,000.

An unofficial report from the  
Kansas City district said that sales  
there totaled \$3,757,400.

The navy's flying squadrons of  
battleships and destroyers cruising  
along the Atlantic, Pacific and Gulf  
coasts to help the Victory Liberty  
loan, are receiving enthusiastic  
welcomes. In the south the  
destroyers Ammon and Beale are  
adding thousands of dollars to the  
loan's subscriptions.

The victory ship, the U. S. S.  
Marblehead, is scheduled to reach  
San Diego at noon tomorrow, where  
she will be relieved by the U. S. S.  
Covey which will take up the second  
leg of the journey.

### GERMANS REACH SEAT ON MAY 1

Allies Officially Advised of  
Coming on That Date to  
Versailles.

### LEAVE BERLIN ON APRIL 28

Seven Newspapermen to Ac-  
company Delegation on  
Trip for Terms.

### ADVANCE BODY SOONER

Operators and Electricians to  
Leave Spa at Once—No  
Discussion Possible.

PARIS, April 23.—The German  
government has officially advised  
the allies and associated governments  
that the German plenipotentiaries  
would not leave Berlin before April  
28 and that they would reach Ver-  
sailles May 1.

Seven newspapermen will accom-  
pany the plenipotentiaries, the dis-  
patch added.

It is known that a small delega-  
tion and a suite of 75 persons, with  
a staff of 40 telegraph operators and  
electricians to prepare for the tele-  
graphic installations, will arrive at  
Versailles from Spa immediately.

This delegation would be composed  
of Herr von Wachenberg, counselor  
of embassy, Herr Walter, an inspec-  
tor, and Herr Vunker, an officer of  
the food department.

In connection with the question of  
permitting the German delegates to  
the peace congress to discuss the  
treaty it has been figured out that if  
the treaty were read to the Germans  
it would require at least one minute  
for each of the 1,000 articles the  
document contains, taking up two  
days of eight hours each. It is com-  
puted also that if each article were  
discussed and an hour allowed for  
every one the discussion would oc-  
cupy four months of continued ses-  
sions of eight hours per day.

The president also contends that  
the condition concerning the Adriatic  
settlement has been changed since Italy  
entered the war upon the promises  
of the pact of London, the Austro-  
Hungarian empire having disap-  
peared.

He notes that new states have been  
created for which Fiume is the  
natural outlet to the sea.

The president also contends that  
the strategic necessity pleaded in be-  
half of Italy's claim to the Dalmatian  
islands no longer prevails as the  
Austrian naval menace has ceased to  
exist.

In issuing his official statement in  
the Adriatic question President Wil-  
son let it be known that he desired  
again to call attention to the fact  
that there were defined prin-  
ciples which have been accepted by  
the peoples of the world as the basis  
for a lasting peace. The United  
States delegation simply recalled this  
in order that there should be no  
deviation from these principles.

**Wilson's Statement**  
PARIS, April 23.—The text of the  
statement of President Wilson on the  
Adriatic controversy follows:

"In view of the capital importance  
of the questions affected, and in or-  
der to throw all possible light upon  
what is involved in their settlement  
I hope that the following statement  
will contribute to the formation of  
an opinion and to a satisfactory solu-  
tion.

"When Italy entered the war she  
entered upon the basis of a definite  
private understanding with Great Brit-  
ain and France, now known as the  
pact of London.

"Since that time the whole face of  
circumstances has been altered.  
Many other powers, great and small,  
have entered the struggle with no  
knowledge of that private under-  
standing.

**Freight Handlers Vote  
for Strike in New York**  
NEW YORK, April 23.—A strike  
affecting freight handlers at all rail-  
road stations and piers in this city, as  
a protest against working conditions  
to which the men are subject, was  
authorized tonight by the New York  
Freight Handlers' union, affiliated  
with the International Longshore-  
men's association.

**Evening World First Again!**  
Once again The Evening World has proved its  
superiority in the Tulsa evening newspaper field.

Twelve minutes ahead of its competitor, its  
snappy BASEBALL EXTRA was being sold on the  
street last night, giving not only the score by  
innings and batteries of the major league games,  
but the Lexington race entries for today, the re-  
sults of six of the seven races run off at Havre de  
Grace, and a lot of late wire news.

This superior sporting and news service will be  
continued. Each day during the baseball season  
The Evening World's sport extra will make its  
appearance just as soon as the games are finished.

Tulsa games will be carried play-by-play when  
the Western league season opens.

Watch for it. Buy it. It is worth while.

### ORLANDO SENDS MESSAGE TO CLEMENCEAU

Following Meeting of Delegation Premier Announces  
Step—Japs Are Hit Also by the Pres-  
ident's Document.

PARIS, April 23.—After a conference held by the Italian  
delegation to the peace conference this afternoon, it was  
announced that the delegates would leave Paris tomorrow.

PARIS, April 23.—Premier Or-  
lando, after this evening addressed  
an official reception to the  
Premier Clemenceau, president  
of the peace conference, saying that as  
a result of the declaration by Presi-  
dent Wilson the Italian delegation  
had decided to leave Paris at 2  
o'clock tomorrow afternoon.

The Italian vice admiral Thaon di  
Revel, former chief of staff, has  
left Paris for Rome. General  
Armando Diaz, commander-in-chief  
of the Italian army, is an-  
nounced, will leave tonight.

**WILSON ACTS ON  
OWN RESPONSIBILITY.**  
By The Associated Press.  
LONDON, April 23.—With re-  
ference to the Italian claims, the  
associated press learns that under  
the treaty of London, Italy was en-  
titled to Trieste, Pola and part of  
Dalmatia, but Fiume was to go to  
Croatia.

Great Britain has advised Italy  
in her own interests to forego some  
of her claims, but if the Italians in-  
sist on their rights under the treaty,  
Great Britain and France are pre-  
pared to honor their signatures, in  
which case, as pointed out to Italy,  
Fiume must go to Croatia.

It is understood that President Wil-  
son issued his statement on his sole  
responsibility and that Premier  
Lloyd George and Premier  
Clemenceau are still actively seek-  
ing to bring about an arrangement.

**STATEMENT PUTS  
END TO RUMORS.**  
PARIS, April 23.—The Italian  
situation overshadowed all other  
questions throughout the day in  
Paris, and was the sole subject of  
conversation in official and unofficial  
circles.

When it became known this morn-  
ing that the Italian premier, Vittorio  
Orlando, was again absent from the  
session of the council of four, various  
rumors became current. Signor Or-  
lando remained at Italian headquar-  
ters, but messengers carried him  
many notes.

Proposals and counter proposals  
were made between the members of  
the British, French and Italian dele-  
gations, and numerous stories of  
compromises were circulated. These  
were suddenly discredited by the  
issuance of President Wilson's state-  
ment that the proposed concessions,  
which was chiefly based on the sup-  
position that Fiume could be given  
to Italy.

The idea which had been prevalent  
in Paris, that the Adriatic situation  
was a game of chess, in which the  
most skillful diplomats would win  
regardless of the armistice condi-  
tions, was suddenly banished by  
President Wilson's action.

Since Monday it had been gener-  
ally known that he had prepared a  
statement which was presented on  
that day to the entire American dele-  
gation, and the press delegation had  
approved it. But there was no sus-  
picion that his position was so un-  
alterably against secret diplomacy.

Declarations by the members of  
the American delegation, that the  
president would not yield on the mat-  
ter of Fiume were regarded by most  
European diplomats, and especially  
by the Italians, as part of a political  
game, until today, and even now  
many old school diplomats seem un-  
able to comprehend what has hap-  
pened.

Premier Orlando, Foreign Minister  
Sonnino and Salvatore Barilla, An-  
tonio Salandra and Marchese Salvago  
Ruggieri, the other Italian delegates,  
have been in conference at their  
headquarters examining the situation  
created by the president's statement.

### NO AGREEMENT REACHED YET ON COAL WALK-OUT

KANSAS CITY, April 23.—Follow-  
ing an all-day conference here be-  
tween John Lewis, vice president of  
the United Mine Workers, John  
Wilkinson of Muskogee, Okla., presi-  
dent of District 14, and Alexander  
Howat of Pittsburg, Kan., president  
of district 14, it was announced to-  
night that the discussion of the  
strike of 6,000 miners of the General  
Coal & Coke company in Oklahoma,  
Kansas and Arkansas would be con-  
tinued tomorrow and that Harry N.  
Taylor, vice president of the com-  
pany, would attend the conference.

No agreement was reached today,  
upon which a settlement might be  
made, it was stated. The right of  
the miners to determine the hour  
at which machine crews shall start  
work is said to be the point on which  
the dispute hinges.

**U. S. Minister to Marry.**  
NEW ORLEANS, April 23.—T.  
Sanborn Jones, United States min-  
ister to Spanish Honduras, will be  
married May 15 to Miss Julia de  
Lorain daughter of Chief Justice and  
Mrs. Remond de Lorain, according to  
an announcement reaching friends  
of Mr. Jones here tonight.

The wedding, it is said, will take place at  
Tombigbee in the American legation.  
Justice de Lorain is a leading  
figure in the judicial circles of the  
Honduran capital. Mr. Jones' home  
is Baton Rouge, Louisiana.

**Postmaster General Burleson in a state-  
ment issued tonight, asserted that  
an organized propaganda cam-  
paign had been in progress to  
induce him to aid in bringing  
about repeal of the zone postal law  
in Kansas.**

The statement charged that more  
than a year ago an unnamed mem-  
ber of a committee seeking repeal  
of the law urged him to acquiesce and  
humbly informed him: "We ruined  
Postmaster General Hitchcock and  
destroyed Mr. Taft."

Later, it is said, a well known pub-  
lisher also unnamed, promised that  
Mr. Burleson would be made the  
most popular man in the cabinet if  
he would aid or acquiesce in the re-  
peal and said "but if you do not,  
I fear they will ruin you."

These offers were spurned. Mr.  
Burleson declared and now he said  
he was confronted by a systematic  
propaganda of selfish interests,  
which through repeal of the law  
would be able to "resume enjoy-  
ment of a postal subsidy of over \$70,000-  
000 per annum." Even under the  
zone law, he added, there still would  
be an annual loss of more than \$50-  
000,000 to be made up out of the  
general public.

This statement followed one given  
out at the postoffice department  
during the day announcing that the  
postmaster general had directed  
that telegraph systems suspend their  
regulations against transmission of  
defamatory matter in so far as matter  
relating to the postmaster general  
was concerned.

Five Officially Credited With  
Raising Quota in Sale of  
Victory Notes.

### TOTAL NEARS 14 MILLION

Unofficial Statement Shows a  
Grand Total of More Than  
13 1/2 Million Dollars.

OKLAHOMA CITY, April 23.—  
When state headquarters closed for  
business this evening 20 counties  
had gone over the top, five officially,  
including Cleveland, Pontotoc, King-  
fisher, Ottawa and Grady. Unoffi-  
cial reports show a total of \$13-  
\$48,000 in subscriptions taken  
practically in the first two days of  
the drive. Official reports from  
banks show a total of \$6,000,000  
already filed. Twenty counties  
with smaller quotas have not yet  
been heard from. Those which are  
unofficially reported as having  
gone over the top Greer, Comanche,  
Stephens, Tillman, and Caddo coun-  
ties, all in the fifth or sixth  
stricken district, whose quotas in  
this loan showed a considerable in-  
crease over that in the fourth  
Liberty loan. Grady is also in the  
fifth district. Harmon, having gone  
over unofficially on the first day,  
leaves Jackson and Jefferson coun-  
ties in the fifth district unreported.

Brigadier General Roy Hoffman  
will speak on the Victory Liberty  
loan in Osage county at the follow-  
ing places:

Highland, Tuesday, April 23;  
Hominy and Fairfax April 24.

Harry H. Rogers of Tulsa speaks  
at Pawhuska, Thursday, April 25.

Henry Johnson will speak at  
Saturday at Cherokee, at which  
time Lieutenant Titus of Post Field  
will also be there.

Ralph Talbot, director of the  
speakers bureau is arranging an  
itinerary for Congressman Dick  
Morgan through Woodward, Elka  
Harper, Beaver and Tulsa.

### OKLAHOMA SETS PACE TENTH DISTRICT

KANSAS CITY, April 23.—Okla-  
homa, with subscriptions amounting  
to \$3,515,550, led the tenth  
federal reserve district at the close  
of the third day's Victory Liberty  
loan campaign, an official report  
issued here tonight said. Based on  
totals reported to date, and believed  
to be far from complete, the district  
has subscribed \$7,767,600, the report  
said.

Officials at district headquarters  
declined to make comparative  
estimates of the progress of the  
campaign, saying that it has scarcely  
started in the large towns of the  
district, among which are Dever-  
more, Omaha and Kansas City. The  
volunteer system of subscribing,  
which is being largely used in Okla-  
homa, was said to be one of the  
reasons for the early success of the  
campaign in that state.

### BURLESON CHARGES ATTACK IS PLANNED

WASHINGTON, April 23.—Post-
